

## **Xnergy Expands Presence in Pacific Northwest Region**

Carlsbad, CA —(6/14/11) - Today, Xnergy has completed the acquisition of HVAC Controls & Specialties, Inc., an Idaho-based service company focused on providing HVAC controls and services to hospitals and other critical facilities.

Xnergy is expanding its reach nationwide by targeting acquisitions of companies with strong performance, a local presence, and a scalable model.

Xnergy has satisfactorily completed the due diligence process and is eager to merge HVAC Controls & Specialties capabilities to Xnergy's portfolio of services. HVAC Controls & Specialties is rapidly growing and reported \$849,000 in revenue in 2010 and has a projected revenue amount of \$1.2 million for 2011.

Keith Altman, President of HVAC Controls & Specialties, stated, "We are excited to bring our core values of exceptional customer service and industry expertise to an experienced and successful organization like Xnergy. This partnership will allow us to continue to grow and become the premium choice for existing and prospective clients."

Justin Miller, Director of Business Development for Xnergy states, "HVAC Controls and Specialties has a significant client service base along with a sterling reputation in the industry. An acquisition in the Pacific Northwest gives Xnergy a firm foothold in the region."

Johnny R. Thomas, CEO/President of Blue Earth, Inc. stated "we applaud the acquisition of HVAC Controls & Specialties, Inc. by Xnergy, which is in concert with our strategy to provide small commercial businesses with bundled energy efficiency retrofit services for their HVAC, refrigeration and lighting needs. This acquisition also fits nicely with our recently announced expansion of our wholly owned subsidiary Castrovilla, Inc. into the Pacific Northwest region". Blue Earth, Inc., OTCBB: "BBLU", recently announced it signed a binding Letter of Agreement to acquire Xnergy for up to approximately \$18.5 million.

HVAC Controls & Specialties' emphasis on servicing hospitals coincides with Xnergy's strategy to expand its share of the healthcare market.
